On **Thursday, October 18, 2018 from 12 pm – 7 pm will have Parent Teacher Conferences.** You are welcome to stop at Beveridge during these times to get your child's report card and meet with teachers. For your convenience, all teachers will be located in the gym and cafeteria. Please park in the south parking lot and enter through the dock doors. Next, go to the report card table located outside of the gym to pick up your child's report card and a map. Once you have the report card, you can visit each teacher's table (see attached map) and spend a few minutes talking with them about your child, their grade, and their behavior. Please remember there are may be other parents waiting to talk with the teacher, so keep your conference brief. If you need additional time, please talk with your child's counselor to set up a meeting. We look forward to seeing you on the Thursday.

SOCKTOBER-October 5th – 26th

In the United States, there are more than 600,000 people living on the streets every night. One of the items that is hardly donated to shelters to help keep people warm is socks! As part of the #BeKind movement, Beveridge wants to help people in need by donating socks to local homeless shelters in our community.

Please help us reach our goal from Oct. 5th-26th of collecting 300 pairs of NEW men's, women's, and/or children's socks! All donated socks will be collected by Team Time teachers.

Parent Communication

It is important for parents and students to discuss after school plans prior to coming to school. There has been an influx of calls to deliver messages to students during the school day. While there are times that plans may change due to unforeseen reasons and a message needs to be given to a student, this should not be an everyday occurrence. Thank you for your cooperation.
