A note from the Principal:

Dear Bulldog Nation!

It is with great anticipation that Beveridge welcomes the 6th grade class of 2019-20 and all new students to Beveridge Magnet School. We would also like to welcome back all of our returning students. This is going to be a great year!

As you prepare for the school year, we have several drop off/pick up areas for students: the North side main drop off (Skylark), the roundabout on Pinewood, and the West side on 123rd. Parents are encouraged to drop off early as the Skylark drop off can become quite busy. Parent drop off/pick up should not take place in the south parking lot. This area is reserved for students riding the bus.

The first bell rings at 7:34 am and classes begin promptly at 7:40 am. It is very important that students arrive to school on time. School will end at 3:05 pm each day. Please plan afternoon rides accordingly.

We hope that you are enjoying your summer, and we cannot wait to begin our new adventure in August. See you soon!

Dr. David Lavender

GENERAL SCHOOL INFORMATION

STUDENT SCHEDULES
Student schedules will be handed out to incoming 7th and 8th grade students at the Back to School Event on Monday, August 12, 2019. 7th and 8th grade students may drop off paperwork, take yearbook/school ID photo, deposit lunch money, purchase activity cards, and pick up their schedule from 12-4 pm. 6th grade students (only) are invited to visit Beveridge from 5-7 pm to tour the school, take yearbook/ID photo, drop off paperwork, deposit lunch money, and pick up their schedule.

STUDENT INFORMATION PACKETS
Families will receive the student census enrollment sheets, summer health review, immunization cards, and meal applications in the mail. This information is extremely important. Parents please complete all sections, making sure the requested information is accurate and complete. Students should bring the packets with the completed information to the Back to School Event on August 12, 2019. If you are unable to attend, students should bring the information on the first day of school, August 14 (for 6th graders) or August 15 (for all students).

FIRST DAY OF SCHOOL
The first day of school for 6th GRADE ONLY will be Wednesday, August 14, 2019. School will be in session all day on August 14th. 7th and 8th Grade students will have their first day on Thursday, August, 15, 2019. On the first and second days of school, all students must report to their Team Time classroom by 7:40 a.m. If paperwork was not turned in at the Back to School event, students must bring their completed census sheets with them on the first day of school.

The first part of the first two school days will be devoted to an extended Team Time where schedules will be reviewed, lockers assigned, and several other necessary tasks will be accomplished. During the remainder of the day, students will follow an abbreviated class schedule of all other periods.

SCHOOL HOURS
School is in session each day from 7:40 a.m. to 3:05 p.m. Students may enter the building before 7:34 a.m. only if they wish to eat breakfast and remain quietly in the cafeteria. The cafeteria opens for breakfast at 7:15 a.m. each morning. A complimentary breakfast is available for all students each day. All students not choosing to eat breakfast at school must remain on the campus patio on the north side of the building until the 7:34 a.m. bell rings. Students will be allowed in the auditorium or Walk Club in the gym, ONLY on days with rain and in months of cold and severe weather.

All students must leave the building by 3:15 p.m. each day unless the student is under the direct supervision of a staff member or is involved as a participant or spectator at games or other school activities. Parents: If you cannot pick up your child until you get off work, please make other arrangements. We do not have supervision for students who do not have rides available until late. If students are waiting for a ride past 3:30 p.m., they will be escorted to the detention room to wait.

EXTENDED DAY LEARNING OPPORTUNITIES
Each Tuesday, Wednesday, and Thursday from 3:15 p.m. – 5:00 p.m., Beveridge teachers offer students the opportunity to stay after school to work on homework, use computers, and/or receive extra help. Each day a Beveridge Language Arts, Social Studies, Math, and Science teacher will be available to provide extra learning opportunities during this time. No prior arrangements need to be made; students report to the cafeteria and the teacher will help them. Each week the Extended Day Learning rooms and teachers are posted on the Beveridge website at https://beveridge.ops.org/StudentParent/ExtendedLearningOpportunities/tabid/520/Default.aspx.
PHYSICAL EDUCATION
Students must furnish their own gym shorts, t-shirts, socks and gym shoes for participation in physical education classes. Lockers with combinations are provided in the locker room. Each child will have an assigned locker. **Students must lock their physical education lockers at all times.** The school will not be responsible for lost clothing, book bags, textbooks, phones, or other personal items left unlocked in the locker rooms. Students must be responsible for their own items. **All students will attend PE every other day.**

TEAM CHANGES
All students at Beveridge are assigned to one of six interdisciplinary teams. Teams allow us to form smaller school-within-a-school groupings of students. Each year, after students are given their schedules, there are some requests for changes of team assignments. Most requests come as a result of disappointment of not being on the same team and in the same classes with classmates or friends. Our position is that friends together in classrooms are not always the best learning situation for either student.

We consider very carefully a student mix when teams are formed. We try our best to balance male, female, ethnic background, citizenship, student-teacher ratio, and academic ability as equally as possible on each team. Our students come to Beveridge from several different elementary schools. Encouraging our students to mix together and make new friends is important at this age. Please do not request team assignments based on teacher preference. We cannot begin to grant these requests and maintain the balance we strive to achieve.

DRESS CODE
Though our Code of Conduct will cover dress code in more detail, we'd like to remind students of how to dress for school. We do not allow tank tops, midriff tops, or halter-tops. Shorts, skirts, and dresses should be long enough that they fall near the mid-thigh point. (Just a rule of thumb: If you question whether we'll see it as inappropriate, it probably is!) Remember, what is fashionable outside of school is not necessarily appropriate for school. Fashion trends such as short-shorts, sagging, and exposed stomachs will not be allowed. If a student comes dressed in inappropriate attire, administrators will call home and ask for alternative clothes to be brought to school. Parents, please support us in this Beveridge dress code rule.

BEVERIDGE AGENDA ASSIGNMENT NOTEBOOKS
Beveridge Agenda Assignment Notebooks will be handed out to all students at no cost for the initial one. The agenda is designed to assist students with planning and organizational skills. Parents are encouraged to check their student’s Agenda Assignment Notebook on a daily basis concerning assignments. **Students MUST have an intact Agenda to have passes out of class.** If the initial agenda is misplaced, students will need to purchase another one at the school store for $5.00.

SCHOOL SUPPLIES
Here is a list of minor personal supplies that students may be asked to furnish: regular pencils, notebooks, regular paper (ruled or typing), 3-ring binders, folders, colored pencils, markers, protractor, regular pens, highlighters, rulers, book covers, non-specialized calculators (under $15.00) (TI-30X115 recommended for Algebra and Geometry students), and musical instrument cleaners and other items (reeds, valve oil, wax, pipe cleaner, etc.).

*Reminder: Scissors are not to be brought to school.*

NOTE: Beveridge students are allowed to carry backpacks throughout the day.
**ACTIVITY CARDS**

There is a district-wide fee of $15.00 for middle school student participation in extra-curricular activities. All students who paid the $15.00 cost will receive an Activity Card, which enables them to attend designated Omaha Public School activities/events at no additional cost. Students who are eligible for free or reduced-lunch may have the participation fee waived and receive an Activity Card at no cost. The Student Information Packet includes a section for parents who wish to request the waiver for this fee.

**ATTENDANCE-STRIVE FOR 95!**

Regular attendance is directly related to school success and is required of Beveridge Magnet School students. Our goal is to encourage students to attend a maximum number of days each year. We are striving for 95% attendance for all students at Beveridge Magnet School. Students attending Beveridge are made aware of the importance of regular attendance and the consequences of irregular attendance. Students with poor attendance are often not successful academically.

If an absence is necessary, a parent or guardian must telephone 531-299-2280 to report the child’s absence. Contacts should be made between 7:00 and 8:00 a.m. Attendance and tardy calls will go out throughout the day. If you receive an attendance or tardy call, please contact the attendance office to let them know why the child is absent. Attendance calls and emails will continue until this information is entered into the system. A student who is not present during a class session will be marked absent. Students whose name does not appear on the daily absence list, but who is absent from a class without prior knowledge, may be considered truant and the parent or guardian will be contacted.

A counselor will contact students who are absent five days and a letter will be sent home to parents. The school Dean of students will contact a parent after a student is absent 10 days. The Beveridge Student School Liaison from the central office will contact parents after 15 absences per semester. A referral to the County Attorney will be made after 20 days absent cumulative. The purpose of these contacts is to determine what problems or issues are preventing a student from attending school and to make every effort to resolve these problems with the family.

When a student is returning to school from an absence and has been seen by a doctor, dentist, etc. please bring a note from the medical office. Work missed during the absence must be made up if credit is to be earned. It is the student’s responsibility to obtain make-up work when absent. Absences not verified by a parent are considered unexcused. Work is also to be made-up for unexcused absences. Unverified absences will be treated as truancies and parents will be contacted and the student will be disciplined.

School Activity Absences: If an absence from class is due to a school activity, the student will receive credit for all work made-up. It is the student’s responsibility to obtain assignments in advance for the school activity.

When a student arrives at school after 7:40 a.m., he or she is counted tardy-to-school. A tardy-to-school student must obtain a tardy slip from the main office before going to class. When a student is tardy-to-school four times in a semester, the parents will be contacted and consequences may be assigned.

**TARDIES TO CLASS**

Students are expected to be in every class on time throughout the school day. Students have four minutes to move from class to class. This is ample time to move quickly and quietly throughout the building and arrive on time to class. For each class, the Beveridge teachers will follow the school tardy policy. The Beveridge tardy policy is as follows: 1st tardy = warning, 2nd tardy = call home, 3rd tardy = lunch detention/call home, and 4th tardy = office referral.

**TEXTBOOKS**

Since textbooks must last at least seven years, we require students to purchase or make book covers for their textbooks during the first week of school. Free book covers can be picked up in the Counseling Office.
ASSIGNMENTS DUE TO ABSENCE
When a student is going to be absent for more than a day, we encourage students to make-up and complete as much work as possible before returning to school. Many assignments can be accessed using Office 365, student email, and the student/parent portal. In addition, students may email their teachers for additional information. The main office will not be collecting assignments.

BEVERIDGE GRADE INFORMATION
Student grades are accessible through the parent portal or student portal once you set up your account. You may access the parent and student portal by getting on line at www.beveridge.ops.org and going to Quick Links. If you would like to sign up for the portal, more information will be available at the Back to School Event.

HOMEWORK
Beveridge Magnet School students are expected to study and prepare portions of their lessons at home, even though part of studying may be done during the class period under the supervision of your teacher. Students will be expected to complete assignments at home as a necessary part of their classes. This is an important part of a student's grade in his or her classes. If homework is not completed, students will be assigned a detention and parents will be contacted to make arrangements for the student to stay after school until 5 pm. Work missed due to excused absences must be made up in a reasonable amount of time. Homework and make-up work is the responsibility of the student. If a student misses class due to a school-related activity, it is also the student's responsibility to visit with his or her teachers beforehand to find out what assignments and class work will be missed. Students missing school due to suspension will receive credit for work missed and allowed the same number of days for make-up that was assigned for suspension. Students in middle school should become accountable for their own work and take each assignment, quiz and test, very seriously. Middle School is a true preparation for high school.

SCHOOL BREAKFAST AND LUNCH
A complimentary breakfast is available for all students in the Omaha Public Schools, beginning at 7:15 am in the cafeteria on the first day of school. Balanced lunches are available for $1.75 this year. Students who qualify for reduced lunches will pay $.40 this year. Ala Carte menu items and ice cream desserts are available. The Beveridge Cafeteria utilizes a computerized cashiering system. Team Time teachers will explain and review the system with students on the first day of school. Procedures include the following: 1) Each student will use their personal student number when eating breakfast or lunch. NOTE: Sixth graders are encouraged to begin memorizing their OPS ID number in advance of school starting. 2) Each cashier station has a keypad. Students will key in their personal student number and press "Enter". Students may pay for lunch on a daily basis or in advance by depositing money into their accounts. Prepayment times are from 7:00 to 7:40 a.m. in the cafeteria or as students go through the cafeteria line at lunch. You can also go online at https://www.schoolcafe.com to deposit money.

Deposits may be made in any amount - from a daily amount to enough to cover the semester. Students may inquire at any time about their account balances. Checks should be made out to Nutrition Services and can only be deposited into the students’ lunch account. Change will not be given from checks. Our computerized program allows us to answer any questions you might have about the foods your student selects. It maintains a complete record of each day's activity. If you have any questions, please call the main office and ask for the cafeteria manager, Ms. Debbie Ulrich. Applications for free or reduced-price lunches are included in this mailing.
BUS TRANSPORTATION, RULES AND REGULATIONS

School District Buses and Vans: Students who are eligible for district transportation and live in the designated attendance areas will be notified via U.S. mail before school starts by the Board of Education of the place and time where they will be picked up in morning and dropped off after school.

Bus Rules: Transportation is a privilege offered to students eligible; therefore, misconduct could lead to withdrawal of this privilege at the discretion of school administrators. Bus drivers must report all misconduct to the administration. All school rules are in effect from the time students gather at assigned bus stops in the morning until students are dropped off at the assigned bus stops after school. Assigned bus stops for school district-funded transportation are considered school property. This means that school rules are in effect at such bus stops.

Only Beveridge Magnet School students may ride Beveridge school buses. Students may ride only on the bus to which they are assigned. For student safety please observe the following: (1) No object considered a weapon may be carried onto the bus; (2) While waiting for the bus to arrive, students are to stay on the sidewalk and remain a safe distance from the street; and (3) Students may unload only at designated bus stops.

Students are expected to be courteous at all times by refraining from: (1) Crowding or pushing, (2) Eating or drinking anything on the bus, (3) Spitting, (4) Damaging, or defacing the bus (5) Smoking, (6) Using profanity, (7) Shouting or speaking too loudly, (8) Extending any part of the body in the aisles or outside the windows, (9) Talking to or distracting the bus driver while the bus is in motion, (10) Taking any animals or pets on the bus, or (11) other disruptive behavior.

Behavior which is so disruptive that safety is compromised will result in either temporary or permanent removal from the bus. Students are expected to obey the bus driver. Students must remain seated at all times while the bus is being loaded, while it is in motion, and until it stops for unloading. For their safety, students should face forward. Students may not leave the bus once they have entered without permission of the bus driver. Students are reminded that all buses have video cameras taping the entire ride to and from school. Tapes may be requested for viewing by administrators when inappropriate behavior has been reported.

Buses are scheduled to leave by 3:15 p.m. from Beveridge each afternoon. Activity or late buses to designated attendance areas leave at approximately 5:15 p.m. To ride the late bus after school, you must sign up during your lunch period outside the cafeteria. Only students that are eligible for transportation may ride the bus.

SCHOOL RULES AND REGULATIONS

The first day of school, each student will receive a copy of the Beveridge Student Handbook. Students and teachers will review the Beveridge Student Handbook during Team Time. Team Time is our advisory period. The student handbook contains important information about rules, practices, and procedures at Beveridge. Also, the Omaha Public School's Student Code of Conduct is included. This information is important for parents as well as for students. Please ask your son or daughter to bring the handbook home for your review.

When student behavior is unacceptable, administrative and teaching personnel must take reasonable and necessary actions in accordance with Board of Education policy to help a student correct the behavior or to prevent any interference with educational purposes of our school. Such actions taken may include counseling of the student, parent contact and or conferences, rearrangement of the student's schedule, after-school detentions, limiting participation in co-curricular activities or athletics, assignment to the Student Success Center, or suspension, mandatory reassignment, or expulsion from Beveridge Magnet School. Though most students function everyday without any behavior problems, it is important to understand the consequences of unacceptable behavior.
CLUBS, ACTIVITIES, AND ATHLETICS

Students at Beveridge Magnet School have many opportunities and are encouraged to become involved in co-curricular clubs, athletics, and activities. Student involvement fosters self-confidence for learning and a sense of belonging. Participation in clubs and activities also offers opportunities for developing social skills while interacting with students who hold similar interests. We believe that students have a primary obligation to complete their coursework to the best of their abilities and to behave in an acceptable manner while in school. Clubs and activities may vary slightly from year to year depending upon student interest and sponsor availability.

Interested students may try out for each of the following inter-school athletic activities: Cross Country, Wrestling, Soccer, Football, Volleyball, Swimming, Basketball, and Track & Field. A physical examination is required to participate. A district-wide $15.00 activity card is also required for participation as well as an Athletic Contract.

Other co-curricular clubs, competitions, and activities available for interested or qualifying students are listed: Advertising Club, Anima/Manga Club, Art Club, Backbeat Jazz (audition), Beveridge Dance Team (audition), Book Club, Gamer Club, Green Team, Jazz Band (audition), Latino Leaders, Science Club, Special Friends, Stage Productions, Sign Language Club, Student Council, and other clubs depending on interest. Students will receive information about these and other activities through the daily bulletin, the school website, and weekly newsletters.

Students planning on participating in football, volleyball, or cross country need to make sure to have physicals before the end of the first week of school. More information, including the date for the initial meetings, will be provided during the first few days of school.

GIFTED AND TALENTED INFORMATION

What a year the students of Beveridge Magnet had this year!
- Book Blasters placed 1st in the district competition.
- Quiz Bowl placed in several tournaments throughout this year.
- Poetry slam students won two gold medal winners at the district competition.
- The African American History Challenge again was won by Beveridge at the state level. The team traveled to Las Vegas, NV to compete at the national competition and Beveridge won the middle school division! We are the national champs!
- The Robotics team competed at several competitions in the Omaha area.
- The Destination Imagination team represented Beveridge at the district competition.
- The Beveridge Academic Pentathlon team traveled to Nashville, TN to compete at the National competition.
- Many awards were won at Skills USA.
- More than 250 students participated in nearly 500 extra-curricular activities this year. I am so proud of the efforts and growth of our students over the year. Beveridge has been blessed with outstanding individuals.

Please collect and remember to turn in your box tops the first week of school to Mr. Guinan!
**FROM THE HEALTH OFFICE**
Reminder about school sports physicals:

- 7th Grade students should have a complete physical exam with clearance for sports participation included.

- The physicals can be obtained after 3/1/19. Please remember to obtain any physician orders for medication/inhalers for asthma/diabetes/seizure conditions. Please make contact with the nurse regarding any medical conditions your student may have.

- All 7th and 8th grade students participating in sports at Beveridge must have a physical on file. Students will not be allowed to participate in sports tryouts unless they have a physical/sports exam, and the signed consent forms.

- All exams must be submitted at the beginning of the school year.

**PLEASE CONTACT THE SCHOOL NURSE AT BEVERIDGE WITH ANY QUESTIONS. PHONE: 531-299-2281 FAX: 531-299-2298**

**PHYSICAL EXAM FOR ATHLETICS**
A physical exam is required of all students who participate in any sport. A physical examination is usable for one year. Since all seventh graders need a physical exam for school, a separate physical examination is usually not necessary to participate in sports, but **eighth graders need an exam to cover the 2019-20 school year**. Beveridge will offer a sports physical from a licensed physician for 8th grade students. More information and a participation form will be available at the Back to School Event.

**Back to School Event**

**August 12, 2019**

**7th and 8th grade ONLY** 12-4 pm
- Turn in Student and Family Information paperwork (See enclosed information.)
- Take school id/yearbook picture
- Deposit Lunch Money
- Purchase Activity Card
- Order a Yearbook
- Pick up Schedule

- Please note, 7th and 8th grade students will NOT be able to tour the building. They will have the opportunity to visit classrooms and meet teachers on the 1st day of school, Thursday, August 15, 2019. There will be administrators and teachers available the first day to guide new and incoming 7th and 8th grade students.

**6th grade ONLY** 5-7 pm
- Turn in Student and Family Information paperwork (See enclosed information.)
- Take school id/yearbook picture
- Deposit Lunch Money
- Purchase Activity Card
- Pick up Schedule
- Order a Yearbook
- 6th grade only-Visit classrooms and meet teachers.

- The 1st day of school for 6th grade ONLY will be August 14, 2019.

**2019 ROTARY HONOR ROLL**

Congratulations to the 8th grade students selected for Rotary Honor Roll. Students were chosen based on leadership, character, scholarship, and presence. This is one of the highest honors students can achieve during middle school.

(Recipients/administration listed from left to right)

- Dr. David Lavender
- Joshua Acosta Contreras
- Enoc Ortega
- Lucille Reid
- Erica Lee
- Milan Aranda
- Bream-logeman
- Gudelia Tepox
- Zahid Falcon
- Nyamal Chuol
- Destiny Krenkel
- India Graves
- Kennedy Zion Alati
- Noemi Gilbert
- Ellis Rodgers
- Dee Dee Djion
- Basie Spurgeon
- Jaden Pospishil
- Mr. Langston Frison

**STUDENT RESOURCE OFFICER REPORT**

All parent Drop off/Pick up for the 2018-19 school year will be on the North side of the building along the new drive. Students should get out on the curb/sidewalk side closest to the building. Students may enter the building in the morning through the underpass into the courtyard and go to cafeteria/walk club. The public/main entrance is clearly marked on the North side of the building. All visitors should park in the spaces provided on the North side and enter through the public entrance. Visitors should not park in the South lot.

Buses will drop off in the South lot. Only staff and buses will be allowed into the South lot in the morning and at the afternoon dismissal. Visitors will be allowed to use the South lot for sports/event parking and pick up. More details will follow as we prepare and adjust to this system.

**MEAL APPLICATION REMINDER**

Applications for free and reduced meal benefits can be made at any time throughout the school year. If your student(s) is not currently receiving meal benefits, please fill out a family meal application. Additionally, if you currently have a meal application on file (for reduced or paid meals) and circumstances change in your household, like a decrease in household income, an increase in household size, an adult becomes unemployed, or you receive FDPIR, food stamps or AFDC-TANF for your children, please fill out a new application. Completed applications can be returned to your child’s school or to the Nutrition Services Office, 3215 Cuming St.
